Hillquist[®], INC. PRICE LIST

GUARANTEE OF SATISFACTION

Hillquist manufactures its own equipment and sells that equipment directly to our customers. Hillquist unconditionally guarantees every machine that carries the Hillquist registered trademark against defects in material and workmanship for a period of one year. Thereafter, as long as the machine is in production, Hillquist will repair it on the following terms:

There will be **no charge** for labor.
Parts necessary for proper repair will be charged to the customer.
Repairs will be made at our Denver, CO plant.
Customer will pay all freight charges.

DAMAGED MERCHANDISE

All claims for damage to shipment should be filed immediately with the carrier. Obvious damage should be noted by the carrier and should be noted on the bill of lading. You should request an inspection by the carrier for all concealed damage as soon as it is discovered.

PRICES

All prices are F.O.B. our Denver, Colorado, U.S.A. plant and are subject to change without notice.
